

Neighbors Helping Neighbors

Neighbors Helping Neighbors is a community effort to help citizens in need. There will be a clean-up effort taking place on **June 5, 2010**. The event aims to help out fellow neighbors who are over 70 years of age, or those who have limited mobility. We are currently organizing volunteers to help those in need with a variety of yard services. Such services will include yard clean-up, limited debris removal, and tree/shrub trimming. Individuals must live within the West Linn city limits in order to receive these services.

To volunteer or to recommend a person in need, please fill out the forms below or email bsaladino@westlinnoregon.gov. The forms may be printed and mailed in or filled in online with the links below.
